With Bob Hendrix as the coach, the Tigers got off to a strong start by defeating Redan and Dunwoody. The Tigers also shut out the Shramrock Dragons and the Henderson Cougars for the second year in a row. An able pitching staff was headed by Brent Huff and Earl Dennis who had strong support from reliever David Nix. Dennis received the Most Improved Player Award, and Nix received the Most Valuable Player Award. Eddie Hunter and Nix also turned in the best hitting performances for the team. With many of the players returning, the Junior Varsity is looking forward to an exciting 1982 season.

Facing only powerhouse teams which went on to compete in the State Meet, the Girls' Varsity Track Team had a disappointing 1981 season. Though the team went 4-5, several Tigers found in outstanding individual performances. All-around runner Terry Hodges, pole-vaulter Eric Tuck, long jumper Brad Clower and Eric Brown with the long pole represented the Tigers well. Coach George says that with the return of a large number of experienced team members, Tuck has the potential for an excellent 1982 season.

The Boys' B-Team had its victories and defeats in balance; two wins and two losses. At the end of the season awards were given to Rob Morris and Cedric King for field events and to Mike Britt for his performance on the hurdles.

The Girls' B-Team did not surpass the boys, but posted a fair record of two wins and three losses. Karen Roy paced the Lady Tigers with a total of 60 points. Other leaders on the team included Nannette Vallecillo, Chrissy Faine, and Pam Gressly. Tammy Tillander received an award as most improved member of the team.

The Eighth Grade Track Team had a successful 2-1 record for the 1981 season. The subbies defeated Dunwoody and Lakeside and lost to Stone Mountain. The 1981 season proved to be a build-up year for the Tiger tennis teams. The boys' team set a record with victories over Briarcliff, Shamrock, and the end of the season, Jim Wicks was seeded first in singles, while Sam Smith and Keith Moquest were seeded first in doubles.

The three female team, 3-5, claimed wins in high jump, shot put, and basketball. They were seeded first in singles, and Linda and Sandy Rine were seeded first in doubles.

They are all holding golf clubs and smiling at the camera.

The 1981 Golf Team had yet another spectacular season. Tucker proved to be one of the best teams in the county and for the second straight year, finished with only one regular defeat. Two other matches were forfeited as the Tigers posted a 13-3 record. Scott Randolph was the team leader with an average of 38.3 strokes for 9-holes of play. Averaging 39.7 strokes, Lee Freeman was the second most effective of the Tiger golfers.

The Varsity Girls' Gymnastics Team ended its season with a winning record of 3 wins and 2 losses. Although the team suffered many injuries, it still managed to place sixth in the County Meet. Strong all-around competitors for the girls' team were Cindy Kunard and Connie Starnes.

The Boys' Gymnastics Team was very competitive in the 1980-81 season. Tucker placed fourth in county competition and third in state competition. Fine performers were Adam Perez and Jimmy Pirkle who led the team as all-around competitors. Keith Wallace, Kevin Britt, Kevin Rogers, Tim Butler, and Chris Truelove also contributed to the success of the Tiger team. The 1982 season should be an opportunity for the Tiger squad to capitalize on its development and experience and become a leader in the boys' gymnastics program at both the county and state levels.

The Varsity Cheerleaders attended camp at West Georgia College in Carrollton. They won superior ribbons every night and the spirit stick at the end of the week. They were presented with the awards for the Star Squad and the Most Outstanding Squad. This year's football captain was Ginny Brick and the co-captains were Carol Griffin and Kim Freeman. The basketball co-captains were Donna Hasty, Andrea Jones, Dawn Wimer, and Kandy Mitchem.

The B-Team Cheerleaders were chosen in the spring of last year. In June, they attended NCA camp at West Georgia College. Camp captains were Jill Henderson and Andrea Kivi. Co-captains for the football season were Tracy Gibson and Jill Henderson. The basketball co-captains were Andrea Kivi and Holly Alewine.

Leading the 1981-1982 Eighth Grade Cheerleaders were Sharon Cheek and Denise Robinson, football co-captains and Suzanne Ellis and Angie McLean, basketball co-captains.

Marching Band

This year the Maryland Tiger Band welcomed new director Mr. William Focht. Under the direction of Steve Rand, the band provided full entertainment during the football season. This year the band and auxiliaries performed two large shows. Features for the shows included, "The Impossible," "On Broadway," "Fame," and "Chillin' on the Linkin' Chain." The 1981 year proved to be one of the finest seasons the Maryland Tigers have ever had.

Both Varsity and B-Team Drill Teams attended a five-day camp last summer, at which they were taught routines by Pam Traylor, coach of the Dallas Cowboys' Cheerleaders.

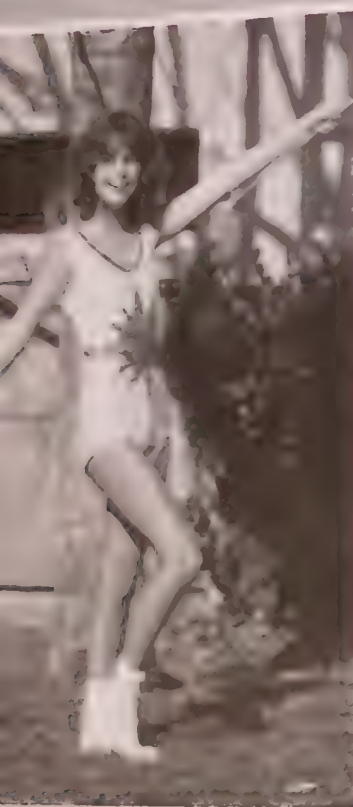

The Varsity Tigerettes learned feature routines to "Fame," "The Tide is High," "Sing," and "In the Mood." They also performed at two pep rallies to the songs "TNT" and "Stone in Love." The girls worked hard during the season, and Tucker should be proud of their dedication and outstanding performances during the halftime shows.

The exceptionally large B-Team was led by two captains, Amy Langford, and Lori Mayer. Their routines were performed to "Piece of the Rock," "Super Freak," "Red Light," and "Dirty Deeds." Joining the team as majorettes were Lori Mayer and Jan Bailey. The Tiger Paws entertained at the Henderson pep rally and should be congratulated for excellent performances throughout the football season.

Kirsten White, a Tiger Majorette for three years, provided entertainment for Tucker fans during the 1981 football season with her outstanding solo performances. Her own special style and flair added real pizzazz to the half-time shows.

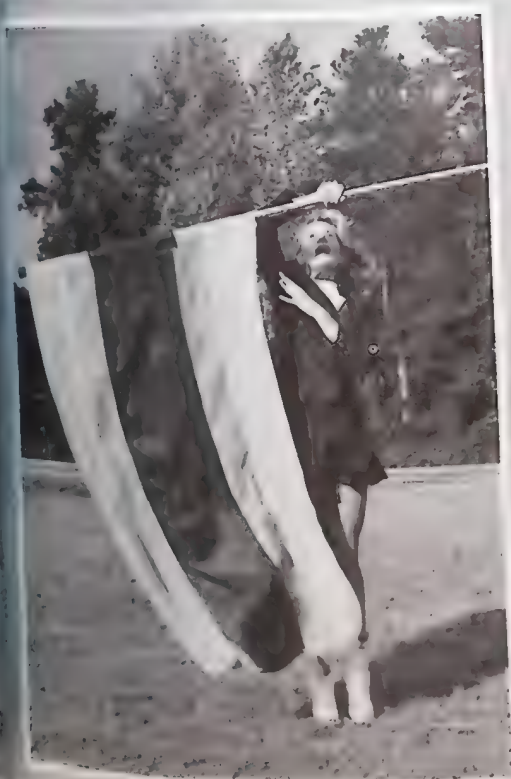

The B-Team Auxiliary was livened up in 1981 with the addition of two majorettes. They added sparkle to the B-Team half-time shows and will make excellent Varsity twirlers.

E. coli O157:H7 (EHEC) was isolated from ground beef samples collected from a retail meat store in the United States. The isolate was identified as EHEC by PCR amplification of the *eaeA* gene and detection of Shiga toxin (Stx) by Western blotting.

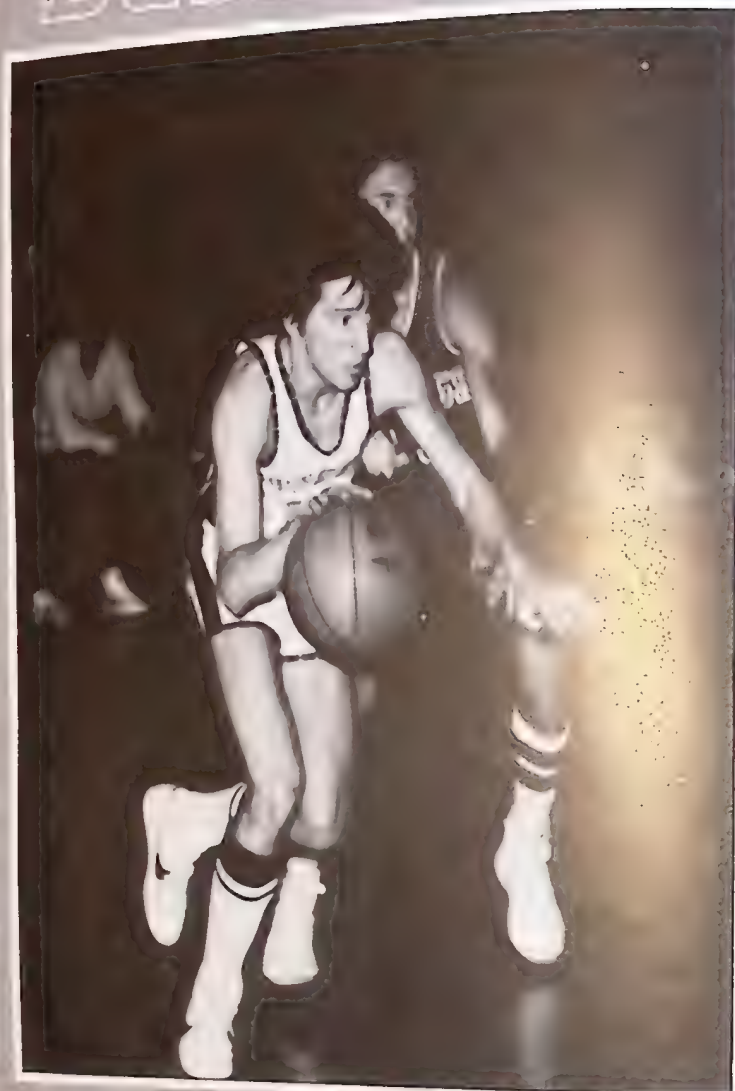

The Varsity Flag Corps was a very impressive group in 1981. The eye-catching twirls, peels, spins, flips, and tosses provided a colorful treat for Tiger fans' viewing. This spirited group helped make the half-time shows truly superb.

The Year And The Tradition

The Varsity Boys' Basketball Team enjoyed a successful 15-8 season and in sub-region play posted an 8-4 mark. Joe Brus, top rebounder and scorer, and Eric Heil, who shot 53.6% from the field, shared MVP honors. The Coach's Award went to Frank Williams, the team leader in recoveries. Kevin Hunter, whose 111 assists paced the Tigers, claimed the Playmaker Award. Bo Johnson received the Best Defense Award, and Johnny Jay earned recognition as the Most Improved Player. As Coach A.Z. Johnson closed out his 21-year career as the respected mentor of the Varsity Tigers, the team was one in which he could take pride.

A.Z. Johnson is legendary in the annals of Georgia high school athletics. In his thirty-two years as a basketball coach, his teams compiled a 517-281 record. Nine times he took his cagers to state tournaments. Three of his track and one of his cross country teams won state titles; two track and six cross country teams placed second in state meets. Overall, Coach Johnson's teams had sixty-three winning seasons and only six losing ones. But if you ask about his career accomplishments, he'll just turn away your questions with a smile. That's the kind of man he is.

Knowledgeable. Competitive. A winner. A man who cares about winning but cares more about his players. A man who never forgets, and never lets his players forget, that high school athletes should play because the game is fun. A man who knows and teaches that how you play the game is important. A gentleman. A gentle man. The one Tucker alumni ask about first.

We salute him. We will remember him. We are better for having known him. He is a man in whom a tradition lives.

The man is the tradition.

The Varsity Lady Tigers finished an exciting season with a record of 14 wins and 6 losses. The cagers twice defeated each of our cross-county rivals — Riverside, Peachtree, Dunwoody, Henderson and Cross Keys. In the sub-region play-offs the Tigers won the two out of three games necessary to advance to the region play-offs. In the Region 8-AAAAA tourney, they were defeated by the first place team, Newton County. Awards presented by Coach Brownlee to outstanding players at the conclusion of the season included the following:

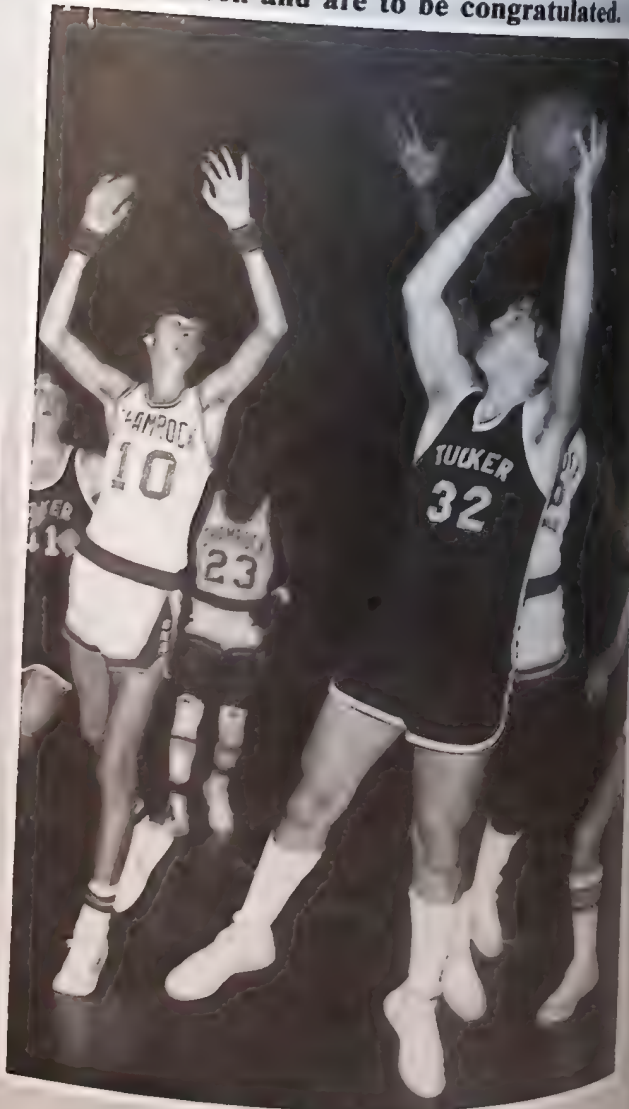

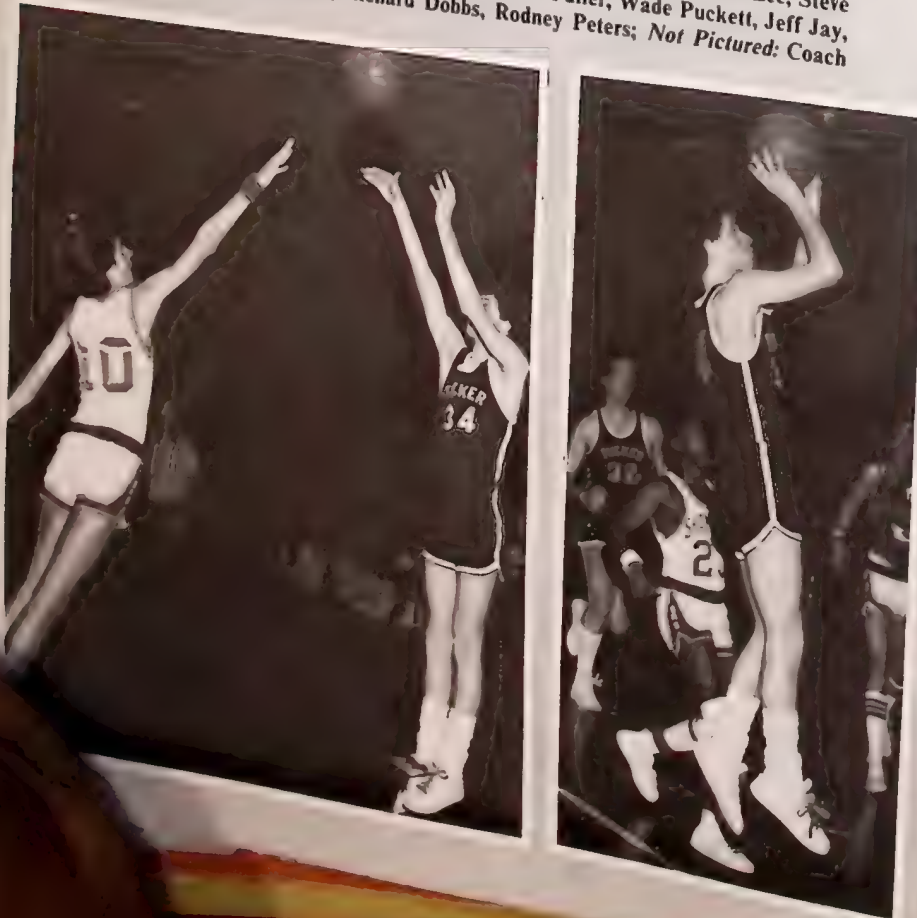

Best Defensive Player	Heidi Kivi
Hustle Award	Hunter Sandifer
Teamwork Award	Kim Reeves
Coach's Award	Karen Grizzard
Best Offensive Player	Christine Strahl
Best All-Around Player	Shawn Coffman
Spirit & Dedication Award	Kelly McCloud

The Boys' B-Team Basketball Team had an impressive record of 8 wins and 5 losses. The Tigers scored more than 60 points in each of three games, averaged 54.9 points per game, and shot an unbelievable 61.9% from the free throw line. Brent Huff, one of the Co-MVPs, averaged 12.3 points per game. Rodney Peters, who also received an MVP trophy, shot the highest percentage from the field. Leading the Tigers at the foul line was Jeff Jay; Scott Thraillkill paced the team on the boards. Playmaker Blake Westbrook was the recipient of the Coach's Award for going above and beyond the call of duty. The B-Team Tigers had a highly successful season and are to be congratulated.

Leading the Tigers' scoring attack were Jill Jennings and Kelly Allegret, each with 64 points, and Cindy Kunard who contributed a total of 63 points. Jennings paced the Tigers in rebounds with 62 and Kunard claimed 32 steals during the season. At the Basketball Banquet Allegret and Jennings were recognized as the best offensive players and Kunard was honored as the best all-around player. Coach Curtis commended the Tigers for their dedication and team-work during the '82 season.

When Coach Steve Thompson first surveyed his Subbie Tigers, his greatest concern was their lack of height. Apparently his concern was unjustified; the Eighth Grade Boys' Basketball Team closed out the season with a successful 8-3 record. Outstanding team members included Chris Cabaniss and John Russell who shared MVP honors and Dack Johnson who received the Coach's Award. The Eighth Grade Girls' Basketball Team was led by Captain Lauren Hightower and Co-captain Joy Mitchell. While posting a 4-6 record overall, the Lady Tigers outscored their opponents 221-216. Cheryl Kraft was named as the best defensive player for the year and the MVP trophy went home with Lauren Hightower.

The twenty-one contestants in the 1982 Miss Tiger Pageant were judged on the basis of poise, personality, and appearance. They were chosen from their senior pictures by a faculty committee. At the beginning of the January 25th program each girl gave a short speech, introducing herself to the audience and telling about her hobbies, extra-curricular activities, and future plans. After modeling both casual and formal attire, each contestant came back to the mike to answer a "situation question." After lengthy deliberation, the judges' decision was announced. Miss Tiger 1981, Martha Van Orrell, crowned Wendy Powers as her successor and presented roses to the runners-up Michelle Taylor and Jeannie McClelland. Master of Ceremonies for the evening was Marvin Murphy and Pete Kukielski provided musical accompaniment at the piano.

Santa Must Make Choice

Greg Wilson has been practicing hard for the Christmas season. His career goal is to drive those famous reindeer when Santa retires. Despite jesting from peers, Greg keeps practicing.

Reliable sources say Claus, who plans to retire in the near future, turned three hundred and twenty-seven last month. Santa attributes his longevity to the cold climate at the North Pole.

Wilson says that he plans to obtain the position through skill. He believes that he is adept enough to beat anyone else who applies for the position.

It appears that a certain member of the THS faculty also wants this coveted position. Skill alone may not be sufficient to secure the job for Greg.

Ms. McKinzey is rumored to have tried to bribe the jolly man in red. Supposedly her handbag held the \$100,000 that would be used to try to sway Claus' decision.

Inside sources revealed that the money may have come from the Bama High School recruiting fund. Police are investigating this allegation and hope SEE SLEIGH p3

FLO Meets

The chief members of the FLO, Faculty Liberation Organization, met recently to discuss their future plans.

The FLO wants to free itself from certain misconceptions held by students. Teachers feel their intelligence is being insulted.

Few teachers believe stories of flat tires, broken alarm clocks, or other "creative" excuses that students bring to them. Still, some believe stories of elephant stampedes, stolen lockers, terrorists roaming the halls, or pet boas eating homework.

Other complaints of the Faculty SEE FLO p5

Hawkins Assassination Plot Revealed

A secret meeting was recently held to discuss plans for the assassination of Sadie Hawkins, liberal ERA advocate.

Hawkins is best known for her outspokenness when the subject of dating is brought up. She believes females should be equal in the courtship ritual.

It is rumored that the CPA, Chauvinist Pigs of America, is the perpetrator of this murderous scheme.

Plan A supposedly involves Inspector Chick asking the Governor for assistance from the GBI. Plan B, illustrated on the left, entails the disarmament of Hawkins.

The FBI believes that this operation has been the planning stage for months. They also think that there may be other organizations involved in the scheme. Further investigation may SEE PLOT p.4

Crimewave Spreads To Tucker High

The Tiger Yearly 2

Crime, a major concern in the Atlanta area, has now hit the farming community of Tucker. Even local high school officials must contend daily with this serious problem of modern society.

Stealing textbooks seems to be the major crime at the school. However, some teachers believe that many reported "thefts" are merely cover-ups for misplaced books. One teacher said, "I've never met a student who even wants a textbook!"

Students themselves are occasionally the victims of crime. The victim shown here tries to protect herself from an unknown assailant armed with a VO-5 automatic. Reportedly, the young lady sustained only temporary stiffening of the hair.

Tigers Soar

Members of the Tucker Science Department devoted their talents this year to producing the new experimental "Jet Shoe." At left, Frank Williams is shown putting this remarkable invention to a successful test.

The Jet Shoe is credited with propelling the Tigers to a record of 282 dunks this year. While opponents protested Tucker's new advantage, a smiling Coach Johnson said, "We just caught them flat-footed, that's all."

6 Faces Of Frustration

One man places a small object in his driveway and then backs over it with his pick-up truck. Another sets a multi-colored cube on a fence and blasts it with a 20-gauge shotgun.

What brings out emotions such as these? It's Rubik's Cube, of course — servant of some, master of many.

Practitioners of this unusual form of mind torture are easily recognizable. With glazed eyes and sprained thumbs, they spend hours twisting and turning until, in frustration, they lose control.

If you are among the lucky few who understand the intricacies of this colored demon, fame and fortune may not beat a path to your door. But it's a great way to impress members of the opposite sex!

Flake Fever

Atlanta's paralyzing January snowstorm brought with it a strange creature from the Far North. Many sightings of the beast were reported to authorities who at first attributed such stories to "persons afflicted with cabin fever."

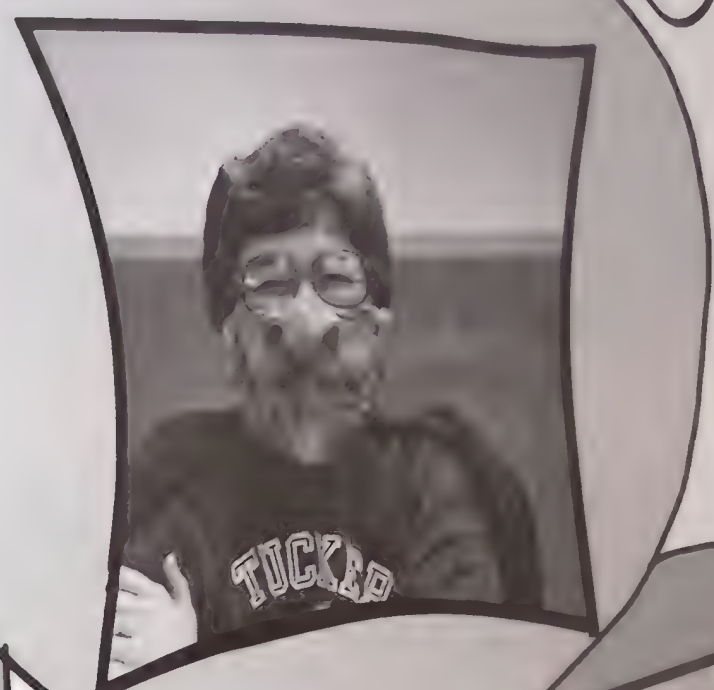

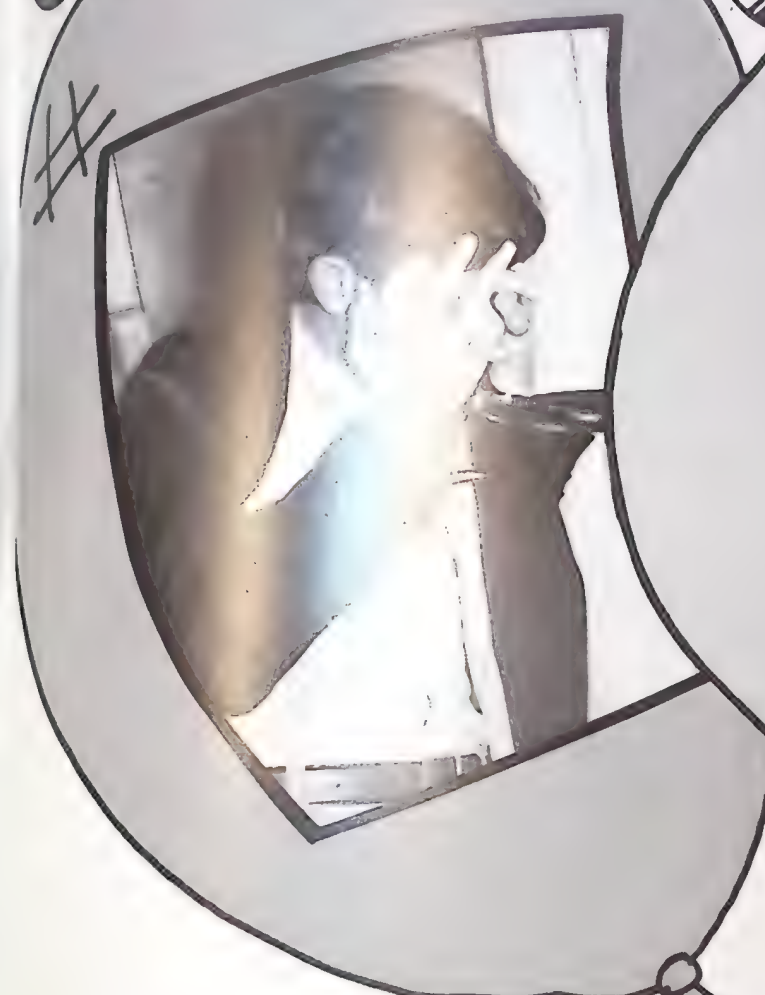

Photographer Coe Dack's picture of the furry critter, shown above, led to an all-out search. "Snowflake" was found snoozing in the THS cafeteria freezer.

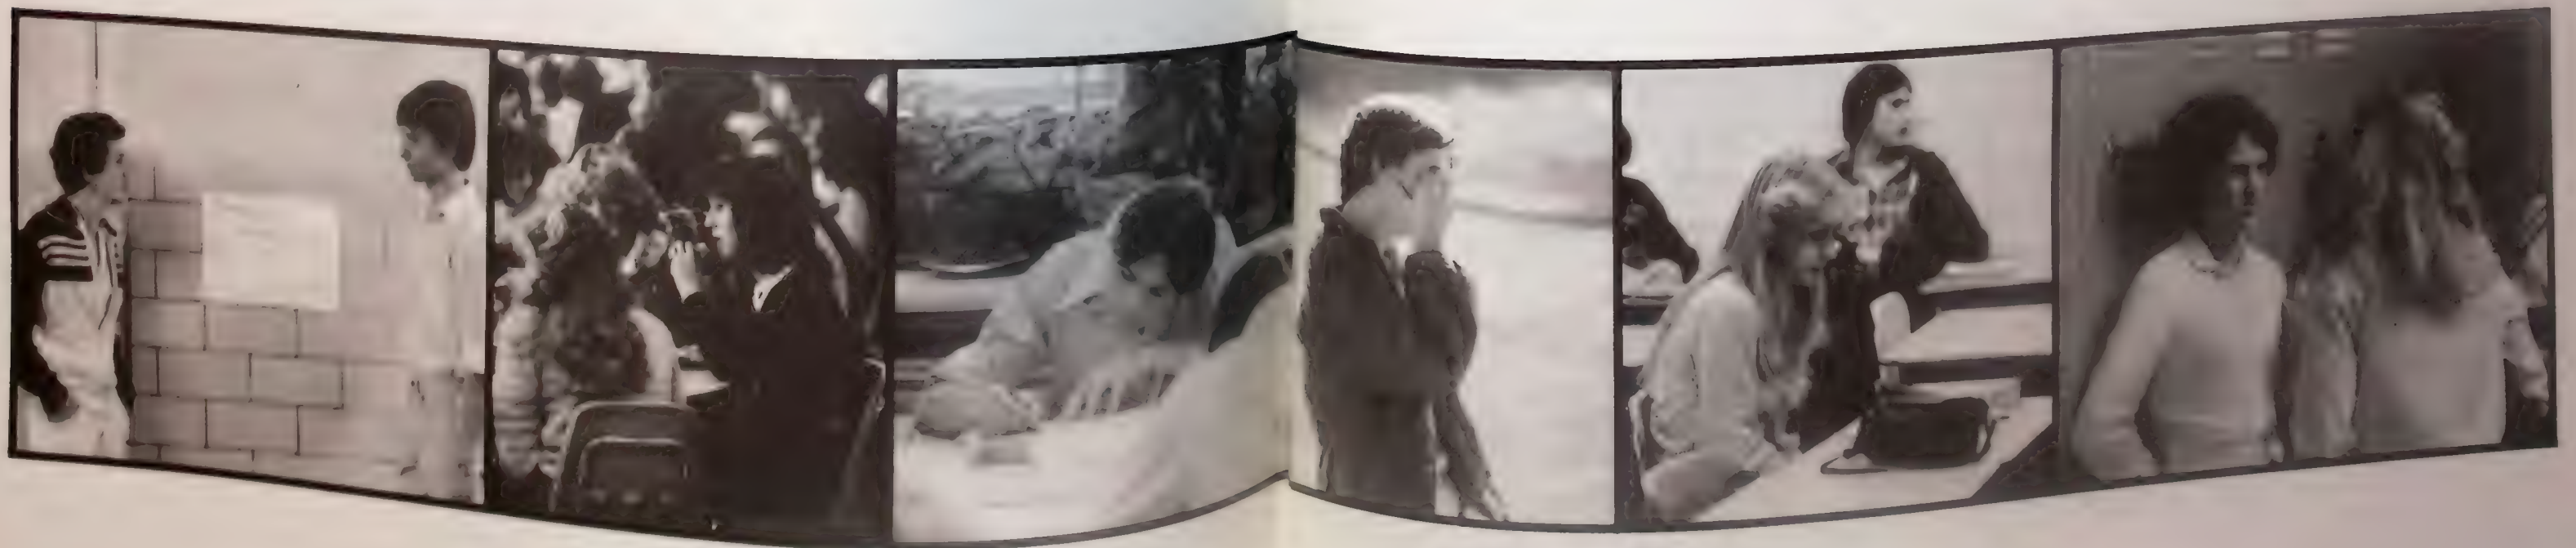

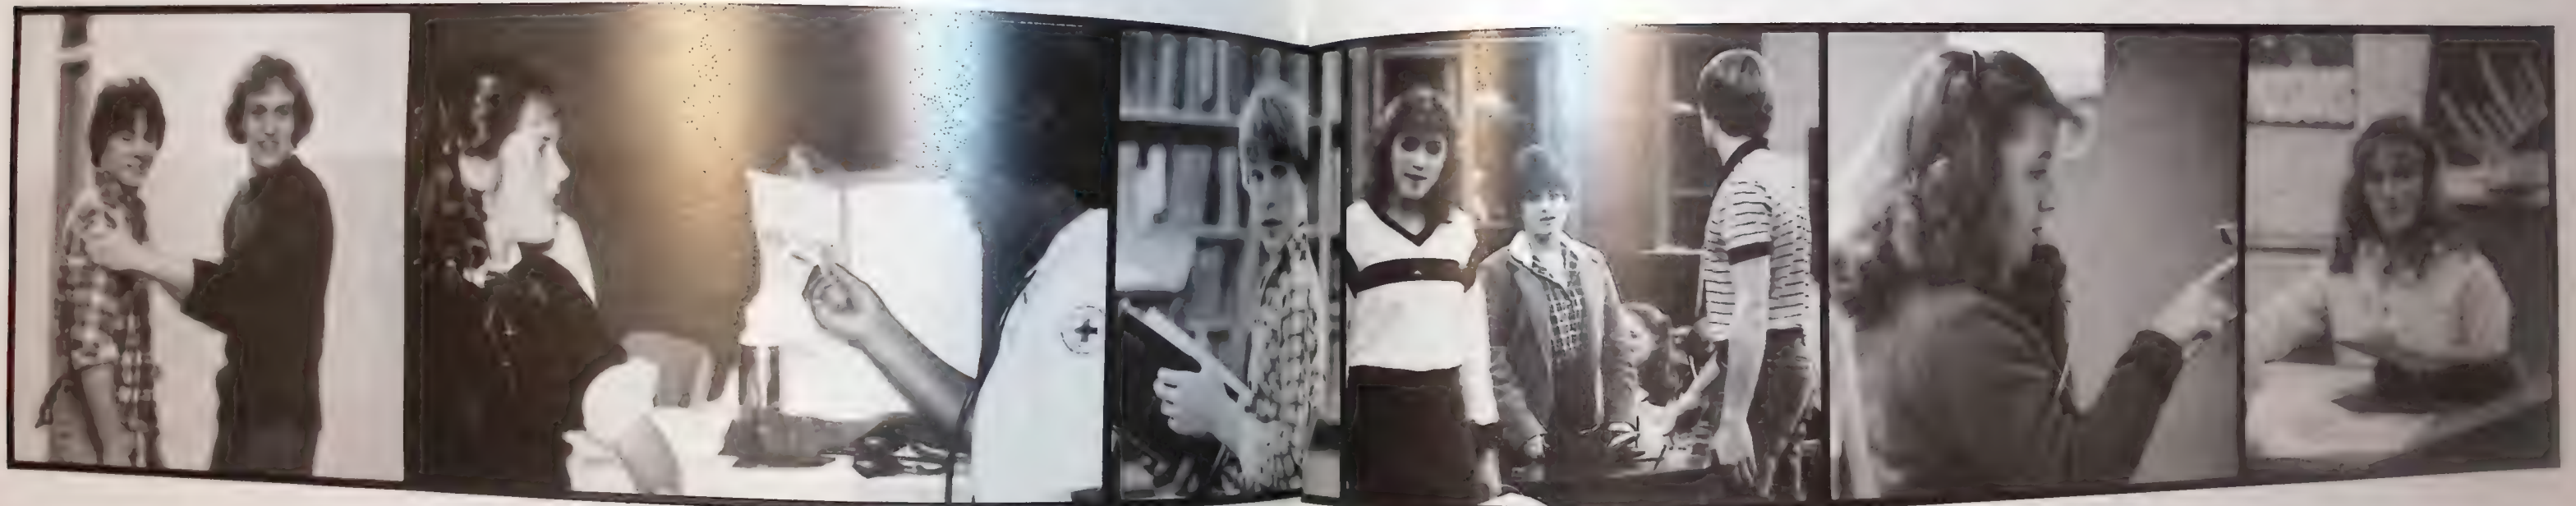

It was obvious that Snowflake was basically friendly and students quickly adopted him as a mascot. His only major problem in adjusting to society was learning that the term "student's lunch" does not mean "students for lunch."

Flake seems now to have completely adjusted to his new surroundings. He accompanied a group of Senior boys to Daytona in April and was spotted dancing with Mrs. Lawhon at the Jr.-Sr. in May!
